

# MEMBERSHIP

## 2025

### WHY YOU SHOULD BE AN SCCUA MEMBER!

SCCUA brings together credit union members to openly discuss topics impacting the industry. We do this by openly working together, collaborating and cooperating with one another with our goal of maintaining what the credit union movement was created on, "people helping people". CUs need to work together to reduce our operating costs and leverage our buying power to ensure our survival and the survival of the CU industry.
